
My Interview with Mr. Beddows

By: Lucas Salomao

What is the best part of your job?

The best part of my job is working with students and all the teachers. Because I work with the first graders to the fifth graders for a long time.

Is there anything you don't like about your job?

I almost like everything about my job. The only thing that I don't like about my job is to sit in his chair and work in a computer for a long time, I want to be walking around and teaching the students things, like how I do in the Exhibition.

When students are in vacation, what do you miss more about the school?

When you guys are not in the school it misses more the atmosphere. I miss the energy that you guys bring to the school. I like my routine, I like how I wake up, go work and see you guys doing your work. I also miss all the

When you have a break during the day, what do you like to do?

I don't have any break. But if I have a break, I'm always trying to call his mom and dad. I would like to Skype them or Facetime them. Also if I had a little break I would listen to some music to relax a little bit, and I sometimes talk to Mr. Pineda about some sports and other things.

What you think is your strongest characteristic in your job and what do you think is your weakest?

I think my strongest characteristic in my job is that I'm always trying to be happy and positive. I think that is my strongest characteristic because if I be happy and positive other people will make a great job. I think my other strong characteristic is my knowledge of the curriculum. I think my weakest characteristic is that I do to much. I think is like to don't ask people a help.

Do you know the Queen of England?

No I don't but I saw her on Tv and other things. I'm from England but I never like saw the Queen and greed her, but I saw her on Tv.

Reflection Question

How did you feel before your interview? Were you excited, nervous, or both? Please explain.

My answer:

Before the interview I was a little bit worried with what Mr. Beddows would say and if I could write down everything that he said. I also was like nervous because I'm always nervous when I'm doing something important with someone that I don't know well.

What is your favorite hobby?

My favorite hobby is cycling. I'm on the cycling team. I love to ride on my bike everyday. I ride in my bike because for me is relaxing, I love exercising. I also like soccer but riding my bike is my favorite hobby

What is your favorite place in the world? And what place you want to travel to?

My favorite place in the world is Italy. Because like, I used to live there, it's my favorite place in the world because is relaxing. In there I had a lots of friends and I and my family spoke Italian.

Other place that i love is where my mom and dad live. A place that I want to travel more to America, I want to see all the small towns in America. I love traveling.
